

2022/23 Summer 2 Year 2 Around The World

Literacy

Our PSHE this half term will form the focus for our literacy.

Phonics will continue from Level 6 week 26.

Our guided reading will be focused on the book 'Mr Majeika'.

Our spelling café will focus on practising our Y1/2 tricky words.

Geography

We will consolidate our knowledge of the UK by focusing on its surrounding water and undertaking a case study of a local coastal town, Littlehampton

Science

Within our animal and humans topic we will:

-Notice that animals, including humans, have offspring which grow into adults

· Find out about and describe the basic needs of animals, including humans, for survival (water, food and air)

· Describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene

Numeracy

Within this half term, we will explore capacity.

We will also take the time to consolidate areas which are not yet secure. These include:

- Shape
- Telling the time
- Position and direction

For those who are more secure, there will be a focus on problem solving and reasoning, applying all that we have learnt to date.

Design and technology

This half term, we will focus on food and nutrition. We will look at healthy eating and focus on Ugandan foods.

2022/23 Summer 2 Year 2

Religious Education

Within our R.E, we will continue to look at why we should look after our world. Within Summer 1 we explored our own reasons for why we believe the world is special and ways in which we can look after our world. We expressed this through art. This half term will provide an opportunity to celebrate this in an exhibition in Shere Church. During our couple of lessons this half term, we will draw on our knowledge of Christianity and Islam and their beliefs of looking after our world. We will compare and contrast these with humanist views.

PSHE

In PSHE we will look at the topic 'medicines and me'. We will explore what medicines are, where they come from and what they can be used for. We will also spend some time focusing on transition in a way that the children have requested.

Physical Education

Weekly PE lessons with Rupert
Weekly swimming lessons
Dance using the scheme 'creative steps'

Music

Weekly sessions with Miss Heaton using a Kodaly approach

WOW moments:

RE display in Shere Church

Holmbury Hike

Father's Day celebrations

Littlehampton school trip

Leavers performance
