

## Around the World

## Summer 1 Reception 2023

### *Maths*

I will be continuing to improve my subitising, counting and partitioning skills. I will be exploring numbers up to 20 focussing on patterns within 20 ordering numbers up to 20 and matching pictures to numerals up to 20. I will begin to understand what is meant by estimating and will be solving problems that involve subtraction.

### *Writing*

Our talk for writing text will be Walking through the Jungle. We will explore the book by learning actions to go with the text and being able to recite the text. We will be drawing our own story maps and will be sequencing the story. When we know the story really well we will be writing our own story based on this text.

### *Reading*

I will be using my knowledge of phase 3 digraphs and trigraphs to decode unfamiliar words and will be recognising more words by sight to support my fluency. I will be reading regularly in my reading group each week focusing on decoding, prosody and comprehension.

### *Physical Development*

Skill focus on throwing and catching. Our dance this half term will focus on the theme of being on a desert island. We will create movement inspired by building shelters, the sea, hunting for treasure and being on-board a pirate ship. We will be working as a whole class, in pairs and also in small groups.

### *Personal Social and Emotional Development*

We will be thinking hard about being patient, having empathy for others, trying our hardest to try new activities, independence and talking about activities that we like the best and why.

### *Communication and Language*

I will contribute to discussions about being an explorer and will share my ideas and listen to others' ideas.

### *Understanding the World*

I can talk about the festival of Eid. I will find out how to care for different pets. I will find out about my local area and compare it to other places around the world. I will learn about how animals around the world can camouflage themselves as a form of protection.

I will be introduced to some famous explorers and will become familiar with why they are famous.

### *Role Play*

*Peaslake Vets for Pets*

*Ready to look after your pet and get them feeling good again?*

### *Wows!*

*Visit to the village*

*Regular Pet visits*

*Coronation Celebrations*

*Using new art techniques such as crayon resist and using corks and sponges to print with.*

*Arrival of caterpillars in May and following their life cycle through observations.*

*Dog Safety Assembly*
